IDAHO COOPERATIVE MOBILIZATION AGREEMENT (ICMA)

- A. The equipment listed in the Idaho Cooperative Mobilization Agreement (ICMA), formerly known as the Fire Service Organization Rate Book (FSO Rate Book), meets all of the minimum requirements for use and operation of the equipment type identified.
- B. Failure to accurately classify the equipment as described in the ICMA shall result in an adjustment of type and rate to the type the equipment meets as set forth in the ICMA.
- C. It is agreed that the hiring agency may inspect the listed equipment and the appropriate training records. These inspections may be done preseason and/or at the incident during fire season.
- D. It is agreed that IDL may request additional documentation from the FSO to support the billing for FSOs hired with an Unoperated Agreement, if necessary for audits.
- E. A copy of this agreement shall be provided to the Finance Section Chief, or their designated representative, upon arrival at an incident. **No other agreement (or EERA) is necessary.**
- F. The individuals listed on the Personnel Roster Appendix, meet all of the requirements for the position(s) listed in accordance with National Wildfire Coordinating Group (NWCG), National Incident Management System Wildland Fire Qualifications System Agreement, PMS 310-1, or NFPA Equivalency, and Idaho EMS License. Operators must possess a valid Driver's License and have the knowledge, skills, and abilities to operate the type and class of equipment listed. IDL may audit training and experience records upon written request.
- G. Experience records and completed task books must be submitted to IDL or Timber Protective Association no later than **December 31** annually. Exceptions to the deadline may be granted by the local IDL representative for special circumstances.
- H. Work capacity tests and fireline refreshers with shelter training shall be submitted to the local IDL Area or Timber Protective Association no later than **April 30** annually in order to get qualification cards prior to fire season.
- I. The Fire Apparatus/Equipment Rates shall be reviewed and updated, as needed, by **May 30**, annually.
- J. The ICMA is a five-year agreement; however, appendices may be updated annually no later than **May 30**.
- K. All billing for reimbursement will be submitted to the local IDL Area/District/Association office within 45 days of being released from the incident.
- L. This Agreement shall remain in effect until December 31, 2022, unless terminated by either party with 30-day written notice.

My signature below certifies that the equipment and personnel listed herein meet the minimum resource typing and standards as required by the Idaho Cooperative Mobilization Agreement (ICMA) and agree to all terms and conditions of said agreement. Furthermore, I certify that I am authorized to sign on behalf of my agency.

Personnel Qualifications/Job Title

National Wildfire Coordinating Group (NWCG)

FFT2 Firefighter 2 (Basic)
FFT1 Firefighter 1 (Advanced)
WTOP Water Tender Operator
ENGB Engine Boss
CRWB Crew Boss
HEQB Heavy Equipment Boss
STEN Strike Team Leader Engine
TFLD Task Force Leader
DIVS Division Supervisor
ICT5 Incident Commander Type 5
ICT4 Incident Commander Type 4
ICT3 Incident Commander Type 3
ICT2 Incident Commander Type 2
STPS Structure Protection Specialist
FAL1 Advanced Faller
FAL2 Intermediate Faller
FAL3 Basic Faller

“(T)” after the qualification designates trainee in that position. Example: ENGB(T)

National Fire Protection Association (NFPA)

FF1 Firefighter 1 (Basic)
FF2 Firefighter 2 (Advanced)
FEO Engineer (Operator/Driver)
FADO Fire Apparatus Driver Operator
CA Captain (A-D)
BC Battalion Chief

Emergency Medical Services (EMS)

EMTP Paramedic (ALS)
EMPF Paramedic Fireline (ALS)
AEMT Advanced Emergency Medical Technician (ILS)
AEMF Advanced Emergency Medical Technician Fireline (ILS)
EMTB Emergency Medical Technician (BLS)
EMTF Emergency Medical Technician Fireline (BLS)

This list is not all-inclusive. Standard/universal acronyms shall be used for positions not listed herein.
